What we do

WORK YOUR UNPAID CLAIMS

Our professionals are highly-experienced and trained to get you the information you need.

REPORT TRENDS

Apart from claim level action, we identify issues at your point of service, front-office, coding, and back-office.

INITIATE SOLUTIONS

We recommend solutions to prevent denials and delays by insurance companies

DENIAL MANAGEMENT SOLUTIONS

If your practice has great in-house billing staff, but you need help contacting payers regarding claim rejections, we are here to help. Medicus Billing can assist your in-house staff in working through your claim denials for a flat monthly fee.

We contact the payers and classify denials by reason, source, and cause. Your team can utilize this data to correct future claims and improve income.

Sample Report

We analyze the root cause of each denial and classify the denials by reason, source, and cause.
